

*Children's Theatre

Over the past five years, the children of Asbury First have presented an annual musical theatre production each May as part of Sacred Space celebration of the sacred arts. The production is open to all 3rd-6th graders who wish to act, sing, produce, do make-up and so much more.

Our last production was entitled " Are We There Yet?".

Click the title "Are We There Yet?" for pictures of this wonderful musical production.

Here are a few pictures of past year's productions.
